

# Xmas Gorgon tutorial - 3D

For the FLAT one follow ONLY: Step 2, 3, 4, 5 and 6 (ignore the foam)

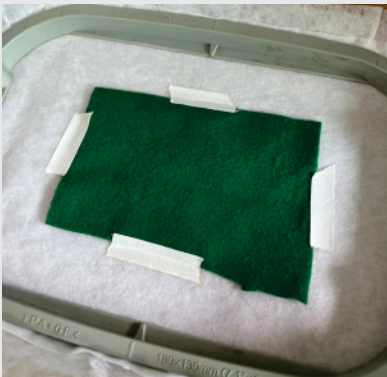

1. • Two pieces of felt  
• A bit of bobbin with the outline color filled  
• One piece of 3mm foam

2. • Hoop 3 or 4 layers of TEAR away backing.

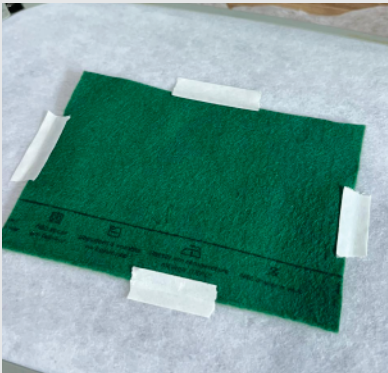

3. • Fix one piece of felt on top with some tape.

4. • Hit start and wait until the machine stops.

5. • Remove from machine and add the back felt and put into machine again.

6. • Start again and wait until stops so you can remove and cut the top and bottom felt.

7. • Now place your foam on top and hit start - It will finish the embroidery.

8. • Pop out the foam

## Final Result once it is complete.
